## Third Party Agreement for Personal Injury Cases

I understand that my chiropractor, Amy Friedman, D.C., does not accept third party cases on a lien basis.

During the course of my care a financial arrangement will be made with Dr. Friedman by means of private insurance, automobile med-pay coverage, or cash basis. At the end of my care a complete itemized statement will be available to me in order to settle with the third party claims representative. The third party will settle with me directly.

I understand that at the completion of care my total balance due for my case will be due within 30 days and that I am responsible for my balance in full incurred for my care provided by Dr. Friedman. Any failure to pay my balance in full may result in immediate legal action.

I have read, understand, and agree to the above terms.

**AMY B. FRIEDMAN CHIROPRACTIC CORPORATION**  
**OFFICE POLICY**

You are ultimately responsible for any usual and customary charges incurred for any evaluations, treatment, or supply provided in your care regardless of expected payment by your insurance company or any other third party. Payment for the first visit is expected to be paid in full at the time of service unless other arrangements have been made. Our fee schedule is available for your review (Please ask our staff if you have any questions regarding our fees).

If you are covered for chiropractic under your health insurance plan we will verify your coverage and notify you of your responsibility. Billing your insurance is a service we provide through our billing company, Priority One Billing. You are responsible for payment of your co-pay on each date of service provided to you. You are responsible for any outstanding co-insurance percentage owed or deductible due as stated on your Explanation of Benefits processed by your insurance company.

If this is a work-related injury and we accept your case, we will obtain authorization for your care and complete the appropriate documentation as per the Labor code.

If this is an injury caused by a third party, arrangements must be made with the doctor. If you have health insurance or med-pay we will bill for you. If you have an attorney, they must sign a lien. Itemized statements will be sent regularly to update your attorney regarding your care received. In the case of a third party (See third party agreement) you are responsible for paying any outstanding balance on your account from the proceeds paid to you directly for your case. You are ultimately responsible for paying your balance in full.

All nutritional supplements and orthopedic supplies must be paid in full at the time received regardless of insurance coverage. (Most policies do not cover these items.)

We reserve the right to charge a full visit fee for any chiropractic or massage appointment missed or cancelled with less than 24 hour notice.

All accounts inactive over 60 days are considered overdue and are subject to collections.

**INFORMED CONSENT**  
**FOR CHIROPRACTIC TREATMENT AND CARE**

I hereby request and consent to receive chiropractic adjustments, physiotherapeutic procedures and chiropractic by Dr. Amy Friedman.

I understand that there are rare but possible risks to chiropractic treatment.

These include, but are not limited to, fractures, disc injuries, dislocations, sprains/strains, burns or frostbite (physical therapy), and strokes. I do not expect the doctor to be able to anticipate and explain all risks and complications (although they would be more than happy to do so if requested). I wish to rely on the doctor's experience and expertise to exercise good judgment when choosing the most safe and effective course of care based upon my history, physical exam and x-ray findings.

I have read, or have had read to me, the above consent. I understand that I have the opportunity to ask any questions before receiving treatment. By signing below I consent to care for the entire course of treatment for my present condition and for any future conditions for which I seek consultation and treatment.

### AUTHORIZATION AND ASSIGNMENT

I authorize Dr. Amy Friedman to release any information that she deems appropriate concerning my treatment and physical findings to any insurance company, attorney, doctor or insurance claims adjuster in order to process any outstanding claims for reimbursement of charges incurred or for obtaining authorization for care if necessary.

I authorize the direct payment to Dr. Amy Friedman for any sum I now or hereafter owe you, by my attorney, out of the proceeds of any settlement of my case and/or by any insurance company obligated to make payment to me or you based in whole or in part upon the charges made for your services.

This authorization and assignment is irrevocable and ongoing until all monies owed have been satisfied and paid in full. It will be in continual effect. A photocopy shall be as valid as the original document.

### OFFICE POLICY

I acknowledge that I have read and understand the Amy B. Friedman Chiropractic Corporation Office Policy regarding my financial responsibility, insurance billing, worker's compensation or personal injury cases, massage therapy, and supplies.
